I DREAMT THAT YOU LOVED ME

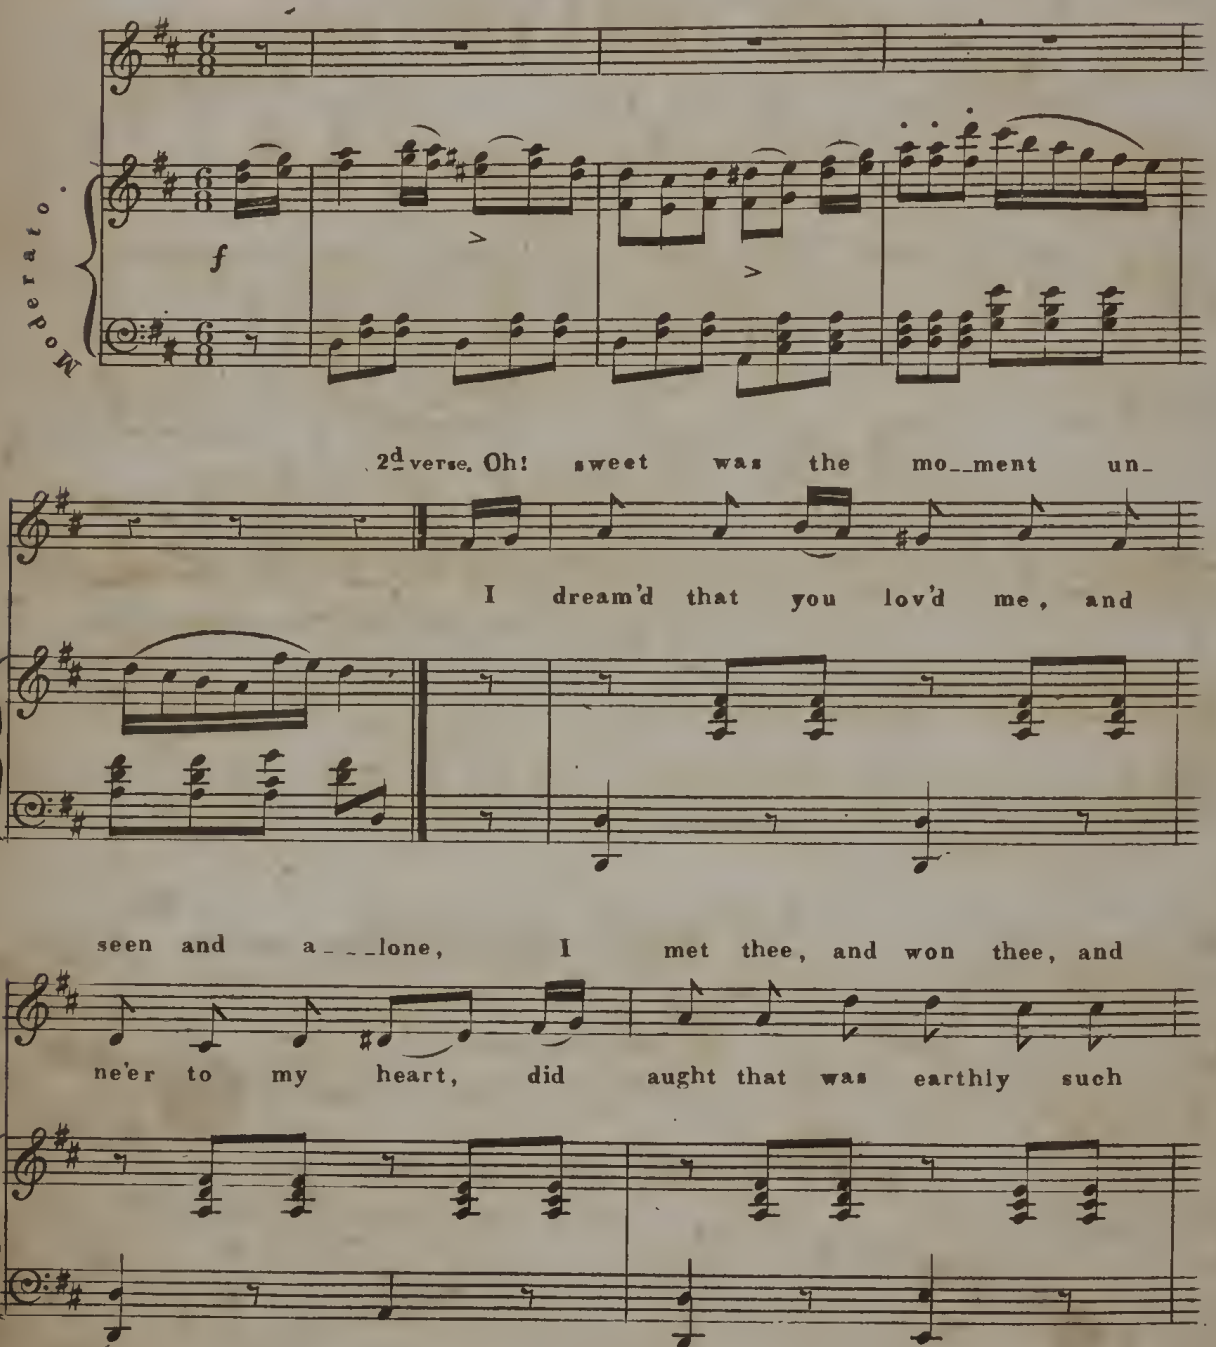
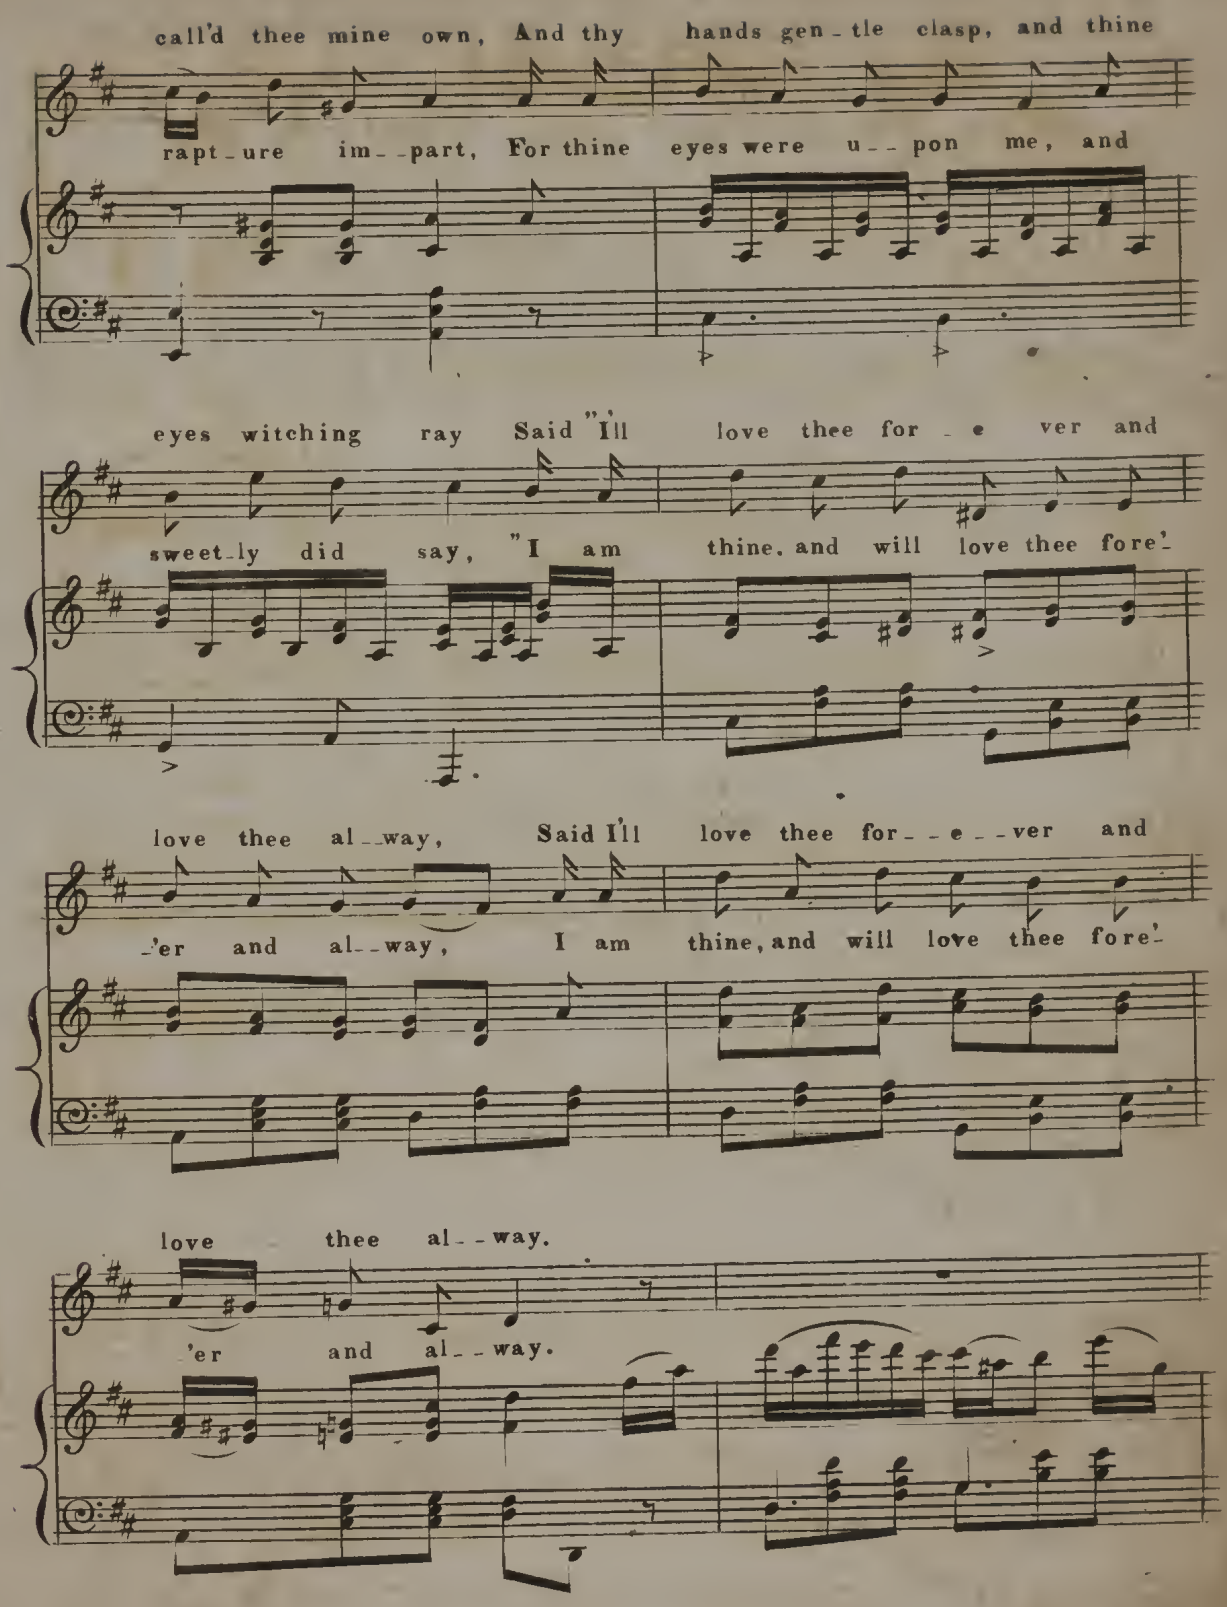
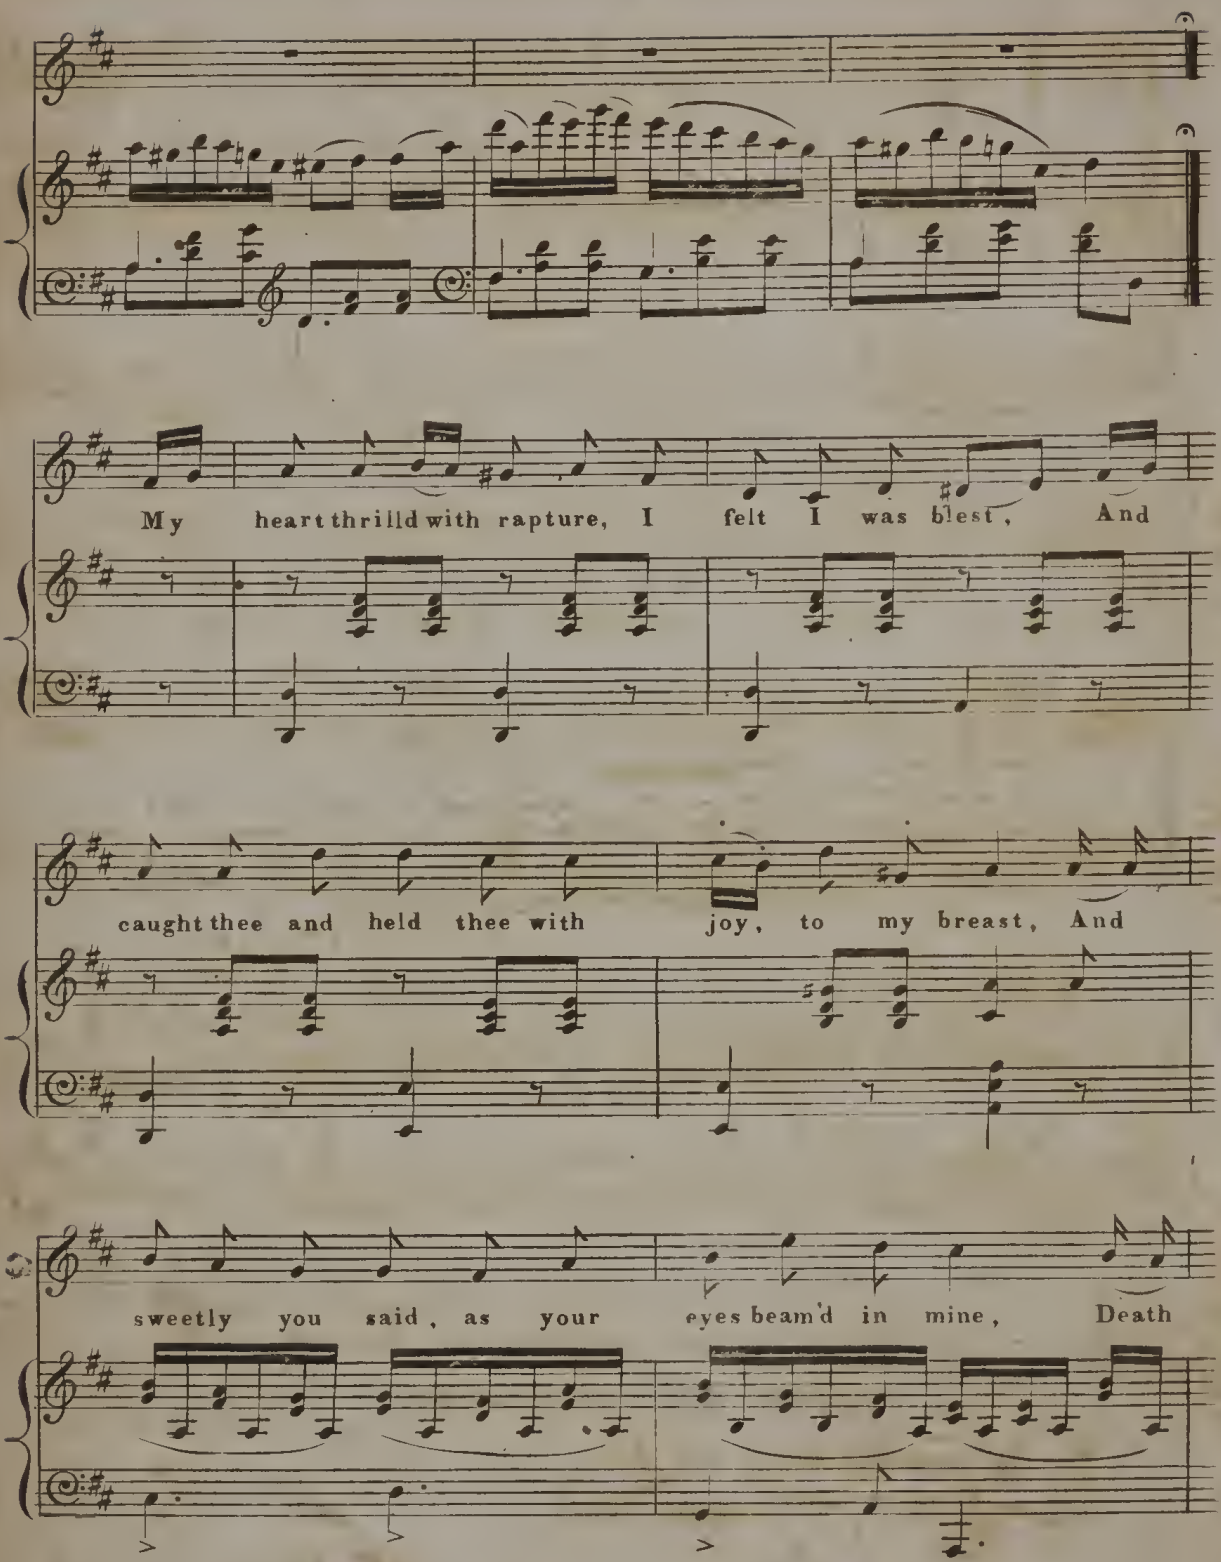
Composed by Henry Robyn.



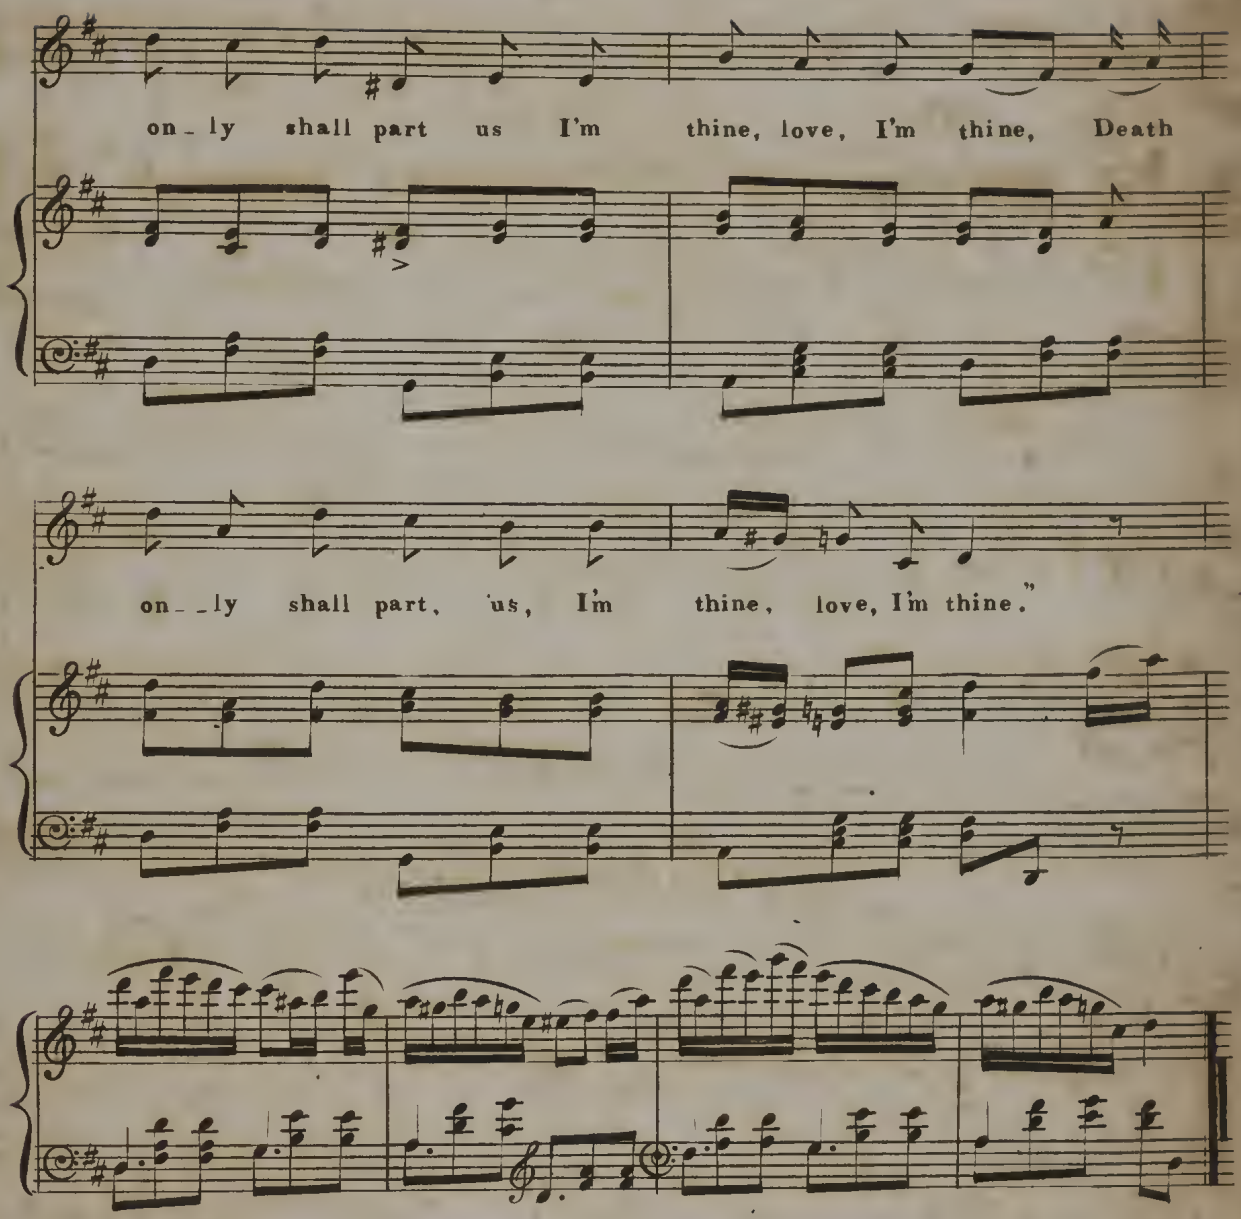
Moderato.
f
2d verse. Oh! sweet was the mo__ment un_
I dream'd that you lov'd me, and
seen and a___lone, I met thee, and won thee, and
ne'er to my heart, did aught that was earthly such



call'd thee mine own, And thy hands gen-tle clasp, and thine
rapt-ure im--part, For thine eyes were u--pon me, and
eyes witching ray Said "I'll love thee for-e ver and
sweet-ly did say, "I am thine, and will love thee fore'-
love thee al--way, Said I'll love thee for--e--ver and
-'er and al--way, I am thine, and will love thee fore'-
love thee al--way.
-'er and al--way.



My heart thrill'd with rapture, I felt I was blest, And
caught thee and held thee with joy, to my breast, And
sweetly you said, as your eyes beam'd in mine, Death



But soon, ah! too soon, the bright vision was o'er,
And I woke but to weep that you lov'd me no more,
Yet 'twas sweet, e'en in dreaming, to hear thy voice say,
"I am thine, and will love thee, fore'er and alway."
